Service Learning

IPARD/C

- Investigation
 - Identify a local, national, or global need you would like to address.
 - Assess the community need
 - Identify possible community partners
 - Establish a baseline
- Preparation & Planning
 - Develop a strategy for change and a common vision for success
 - Identify the service and learning goals
 - Create your action plan
- Action
 - Implement the service activity to make a difference
 - Document your activity
- Reflection
 - Think about how your service and learning relate to you, your community, and your future.
 - Reflect before, during and after your service and learning.
- Demonstration/Celebration
 - Showcase your results and celebrate your outcomes.
 - Share what you have done and what you have learned
